**Cc:** Stricker, John D - COMMERCE

**Subject:** Project Double - Short deadline

Good afternoon:

An out of state food packaging company is considering relocating and expanding their business. The company has a 9 figure annual income, is privately held, would employ 150+ people, and is growing rapidly.

It is looking for an existing 150,000 sf total building including approximately 50,000 sf of freezer/cooler space. Build-to-suit might be considered, but the company would prefer an existing building.

The company would like to receive an information packet about the building including the ceiling height and proximity to major highways.

Please ask your contacts to submit their responses no later than Monday, February 21, 2011 in preferably electronic form to allow the information be delivered by the next day. The company wants to move fast.

PLEASE REQUEST THAT THE RESPONSES BE SENT TO THE FOLLOWING EMAIL ADDRESS:

[COMBDSites@wisconsin.gov](mailto:COMBDSites@wisconsin.gov) .

Thank you,

Dagmar Beckel-Machyckova
