

investing in collaboration

New North, Inc. Investment Benefits by Tier

New North, Inc. is a 501(c)3 nonprofit, regional marketing and economic development organization fostering collaboration among private and public sector leaders throughout the 18 counties of Northeast Wisconsin, known as the New North region.

Vision: To be nationally and globally competitive for personal, community and economic growth.

Mission: To be the catalyst for regional prosperity for all through collaborative action.

Contributing - \$1,000 up to \$5,000

Leadership & Engagement Opportunities

Investors at all levels are eligible to serve on New North's working committees, including: Talent Hub, Equity-Diversity-Inclusion-Belonging, Business Intelligence, Intel Tracker, Business Attraction, Marketing & Branding, New North Summit Planning, Broadband Task Force, and the New Launch Alliance.

Workforce Recruitment and Training Support

As you work to attract, develop, and retain key talent, New North serves as an important partner in recognizing workforce needs, sharing information and resources, and developing the workforce in our region. We have connections to talent resources and training institutions to meet your talent needs, and can offer additional referral support. In addition, New North offers recruitment resources that include brochures, regional information and videos.

Referrals

While assisting growing companies, New North often refers business to Investors and provides direct introductions for business development opportunities. Current target sectors New North is focusing on include:
