NEW NORTH, September 30, 2021 – StartUp Week in Wisconsin is November 14-20, 2021. Many events will be occurring, both in person and virtually, across Northeast Wisconsin. Among them are local pitch events that lead up to a regional pitch event presented by New North, Inc.

In preparation for the regional pitch event, local partners are hosting qualifying events. The deadline to upload a pitch idea is October 26. Those interested can go to www.thestartuphub.org/pitch and select the **one** registration link that is closest to them.

“New North is proud to be working with local partners again this year to provide an opportunity for creative business ideas to be shared through these pitch competitions,” says Barb LaMue, president and CEO of New North, Inc. “We thank the Greater Green Bay Chamber for hosting the application website.”

The local contests are open to all residents located in Northeast Wisconsin or those will be launching their businesses in the region. Contestants must be at least 18 years of age and the business must have generated less than \$300,000 in either capital raised and/or revenue received.
