Forums brought to you in partnership by:

The forums provide resources and a venue for everyone who cares about the future of Wisconsin's small (and mighty) communities. The forums bring together residents, community leaders, elected officials, business leaders and civic-minded individuals to share best practices and discuss strategies to address the unique opportunities and challenges facing our communities.

Program Agenda:

7:30-8:00am

Coffee, Rolls & Networking

8:00-8:45 am

Introductions & Resources Overview
