

Löyly Family Practice Clinic Opening in Appleton, WI

Nurse Practitioner owned clinic with consumer-friendly pricing and personalized service.

Appleton — 2/15/2022 — This week, Löyly Family Practice began seeing patients at 308 E. Northland Ave. Tabitha Uitenbroek, owner and Nurse Practitioner within the clinic, has a passion to provide compassionate care with personalized service that may not be available everywhere people seek care.

“Most of all, I am a caregiver. I look forward to building up this practice and making an impact in the lives of those who choose to visit Löyly,” said Uitenbroek.

Direct to Consumer Model

Healthcare can be complex, especially when navigating provider and clinic schedules, insurance influence, and coverage confusion. Löyly aims to avoid some of these frustrations by providing online scheduling and no insurance negotiations. The website (www.loylyfp.com) offers a link to search open appointment times and the prospective patient can simply pick the date and 30-minute time slot that works for them. The clinic will then confirm this appointment request with an email.

An open house is scheduled for Wednesday, March 23, 2022 from 3-6pm.
