

CLA Announces Career Advancements in Wisconsin

CLA family members recognized for their accomplishments

Wisconsin (July 11, 2022) — CLA (CliftonLarsonAllen LLP), the 8th largest accounting firm in the United States, announced career advancements for professionals across the firm effective July 1, including 29 in Wisconsin. Historically, such advancements were recognized on November 1. The primary timeframe for advancements and compensation was brought forward four months in response to CLA employee feedback and engagement survey results.

CLA believes the best way to serve clients and communities is to support its people in building careers that enable each CLA family member to do more of what they are great at, while matching personal and professional aspirations. The firm offers its people the opportunity to make choices about their career, including uncommon career path choices, the industry they serve, the service capabilities they develop, their geography, and more.

Congratulations to the following individuals in Wisconsin who have reached new stages in their chosen career paths:
