## **More than 100 employers ready to hire at March 21 employment fair Job seekers of all skill levels encouraged to attend**

Get ready to take your career to the next level. More than 100 companies across various industries, including office, service, manufacturing, healthcare, and other professional positions, will be looking for their next new hires at the Fox Cities Employment Fair from 10 am to 2 pm Tuesday, March 21, at the Fox Cities Exhibition Center, 355 W. Lawrence St., Appleton.

Job seekers of all skill levels can connect directly with hiring managers and learn about available positions. Some companies will even conduct on-site interviews, making this event a fantastic chance to make an immediate impact.

“Roles range from entry level to more skilled, seasonal, temporary, full and part-time. All job seekers regardless of age, education and work experience are welcome,” said Anthony Snyder, CEO of Fox Valley Workforce Development Board. “Some employers will offer on-site interviews while others will be accepting resumes and will schedule interviews at a later date. It’s not often you get to hand your resume right to a human being, versus submitting it online. These will be real companies with real positions available and it’s a unique opportunity for job seekers to connect directly with companies, so we urge job seekers to take full advantage.”

Job seekers are encouraged to bring resumes to share and to dress for the career they want. A complete list of all current employers registered can be found on the Fox Valley Workforce Development Board web site at [Job Fairs \(foxvalleywork.org\)](http://foxvalleywork.org). Individuals interested in a resume refresh are urged to contact the Fox Cities Job Center – Menasha at 920-997-3272.

Some of the region’s largest employers are ready to discuss new opportunities with those who are unemployed, underemployed or even unhappily employed. If you are not excited to go into your current job on Monday morning, you should be at this job fair. Employers at the fair cover all of NE Wisconsin and not only Appleton.

“We are happy to partner with Fox Valley Workforce Development on this employment fair. At the Chamber we understand the value of these type of talent recruitment and attraction initiatives, as that is a primary focus of our economic development efforts right now, and another way we can help our Fox Cities employers.” Becky Bartoszek, President and CEO, Fox Cities Chamber.

Questions about the job fair should be directed to Bobbi Miller at Fox Valley Workforce Development Board at [bmiller@fvwdb.com](mailto:bmiller@fvwdb.com) or 920-470-0837. The fair is a collaborative effort sponsored by Fox Valley Workforce Development Board, Fox Valley Job Centers, 5K Fibres, Foremost Farms, Tyson, City of Neenah, Fox Valley Technical College, Fox Cities Chamber and the Wisconsin Department of Workforce Development.
